**Top Antique Dealers Showcase Hottest Trends in Watches and Diamonds at the
18th Annual Las Vegas Antique Jewelry & Watch Show**

-The Largest Antique, Trade-Only Event in US Returns to The Paris Hotel-

LAS VEGAS, NV (March 12th, 2013) – What happens in Vegas, stays in Vegas! Right? Not when you are a global collector or exhibitor attending the 18th Annual Las Vegas Antique Jewelry & Watch Show at The Paris Hotel May 30th – June 2nd, 2013!

"I've covered over 100 trade shows in the antique coin industry and have been coming to Las Vegas for over 20 years now," said Howard Horowitz, H H Gold, Inc. President. "This is my second year taking part in the Las Vegas Antique Jewelry & Watch Show and I find the atmosphere to be a better fit for many of our rare commissioned pieces sought out by industry insiders who regularly attend the Vegas show."

H H Gold, Inc., was established in 1985 in California to provide the jewelry trade with truly unique and high quality products. The company features what is probably the most eclectic mix of jewelry in the industry today. HH Gold, Inc. prides itself in providing excellent service to retailers who want jewelry that is distinctive, not the same old styles seen in the "cookie cutter" chain stores.

This unique "trade only" event houses rare and priceless collections from the largest selection of rare and unique antique jewelry, watches and gemstone from all over the world. The Las Vegas Antique Jewelry & Watch Show runs concurrently with the JCK show, opening one day before.

Various trends will be represented throughout the show floor at this year's event. Recent industry reports indicate increased interest in colored diamonds and vintage watches among the antique industry. Industry leaders suggest that collectors incorporate an array of vintage watches from Oster to Cartier in their collections to maximize style choices.

"U.S. Antique Shows is thrilled to provide the ideal atmosphere for industry experts in antique, vintage and estate jewelry and watches to gather this spring in Las Vegas," said Dan Darby, Group Show Director. "The 2013 season's selections are amongst the rarest and unique collections we've seen so far, and we are excited to have nearly 400 exhibitors fill the hall this year."

In its 18th year, the Las Vegas Antique Jewelry & Watch Show continues to showcase the most exquisite antiques to exhibitors and collectors dedicated to this booming segment of the jewelry industry. The Las Vegas Show is a must-attend event for serious jewelry buyers and collectors that are interested in one-of-a-kind pieces impossible to obtain anywhere else. The show offers a wide range of jewelry merchandise spanning all eras of jewelry history.

Show times are 11:00 a.m. to 7:00 p.m. Thursday, May 30th – Saturday, June 1st and 11:00 a.m. to 4:00 p.m. Sunday, June 2nd. Admission is only \$20.00 to attend all four days. Please note that this is a trade only event. Business cards with a valid photo ID will be required for entry.
